

STEAM TEACHER TRAINING

CITY PLANNING: DESIGN, DEVELOPMENT, HUMAN EXPERIENCE

SATURDAY, JANUARY 28, 2017
8 am - 4:30 pm

Reception to follow until 5:30 pm
at the Nevada Museum of Art | 160 W. Liberty St. Reno

Imagine a blank canvas where you are given the freedom to design a city from the ground up. Join us for an exploration of this topic through the STEAM lens to discuss city planning for the next generation. Through hands-on activities and presentations, you will bring these material to life in your classroom.

KEYNOTE SPEAKERS

Bonnie Ora Sherk | Landscape Architect, Artist, Educator, and Founder/
Director of *A Living Library* which transforms derelict urban spaces and hidden watersheds into thriving art gardens, resilient learning landscapes, and education centers for children and adults that uses STEAM + Literacy to impact communities.

Will Roger Peterson | Founding Board Member and Board Chairman,
Burning Man Project, Black Rock City Planner and Designer

FREE training open to all educators in Nevada.

Includes: continental breakfast, lunch, and reception.

Upon completion participants will receive 0.5 In-Service Credit.
